# ACN COLLEGE OF POLYTECHNIC

## A Unit of ACN College of Engineering & Management Studies

In its another philanthropic endeavour ACN Group of Institutions has established ACN College of Polytechnic, a unit of ACN College of Engineering & Management Studies, Aligarh, under the dynamic leadership of its Chairman and great reformist Mr. R. A. Chaudhary. To address growing economy and industrial development India needs 500 million skilled and technically qualified workers by the end of 5 years from now. ACN College of Polytechnic is committed to prepare institutionally qualified technical manpower to fulfill growing demand of skilled and technically qualified work force, emerging from Govt. Public Sector Undertakings (P.S.U.s) and corporate sector. ACN Polytechnic ensures quality technical education to all sections of the society to maintain higher GDP growth rate of the country, increasing technological and socio economic development and enhancing global competitiveness.

# Diploma in CIVIL ENGINEERING

**Duration : 3 Years**

**Eligibility : 10th Class or its equivalent**

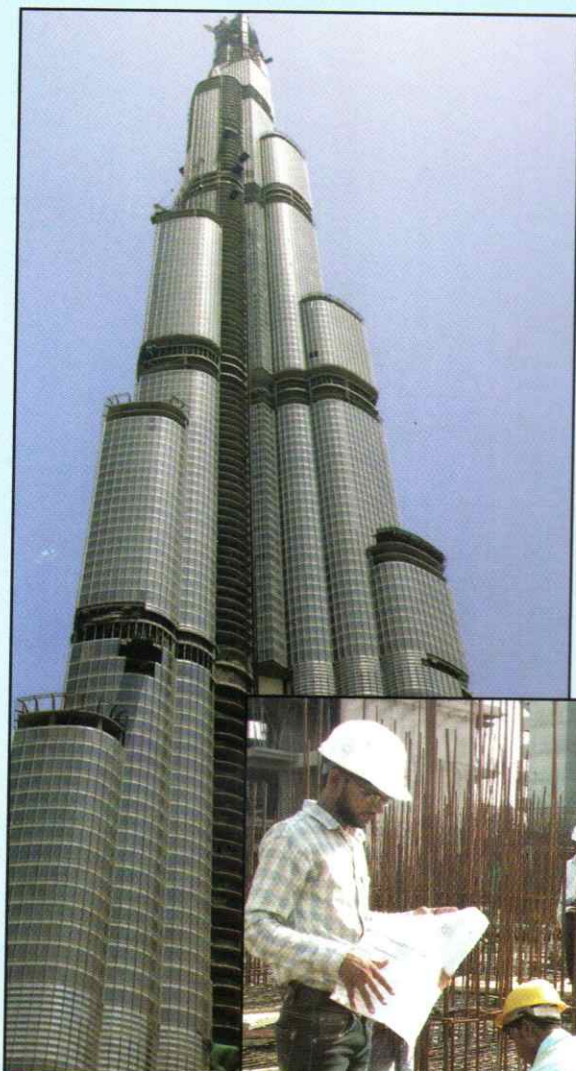

This Course aims at producing highly qualified, efficient technicians capable of meeting the requirements of the basic level of the Civil Engineering field.

During the course of study, the student is exposed to various subjects of Civil Engineering such as Drafting (both manual and computer-aided), surveying, estimation & costing,

construction technology, basics of highway, railway, bridge, airport, tunnel and harbour engineering. The course also offers adequate exposure to reinforced concrete structures, quality control, material testing, construction management & entrepreneurship, professional practice and office procedures. Students also get a feel of extensive survey, building drawing, Students are also exposed to software like AUTOCAD & STAAD.

At Present extensive placement opportunities are available for diploma holders in the field of Civil Engineering, both in Government & Private sectors. They can be absorbed as site engineers involved in supervision, draftsman (with computer knowledge), surveyors and personnel in-charge of quality control, estimation work and office

procedures. They can establish their own consultancy in the civil engineering and construction fields or become Licensed Class I contractors.

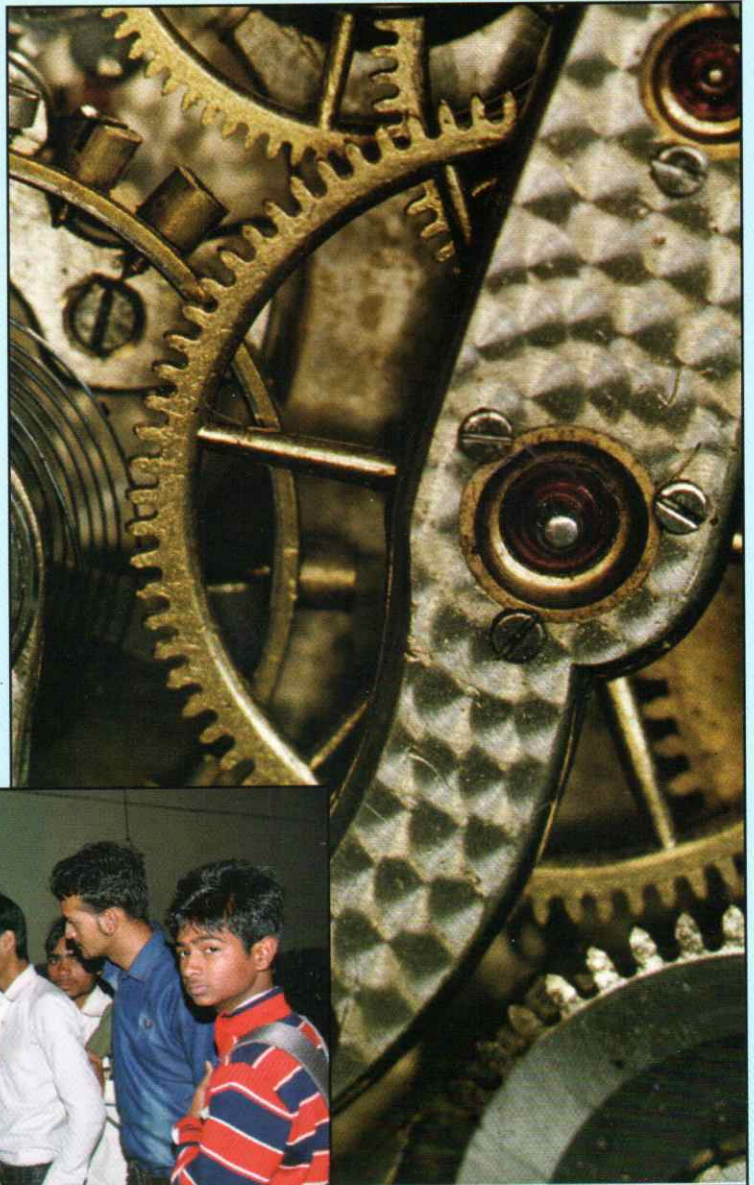

# Diploma in MECHANICAL ENGINEERING

**Duration : 3 Years**

**Eligibility : 10th Class or its equivalent**

The students are exposed to Mechanical drafting, Designing, Operation and maintenance of various machines. Exposure to latest technology such as Mechatronics, CAD/CAM & Robotics and CNC make students more confident and skill oriented.

The Diploma Holders can be absorbed as Apprentice trainees in reputed Public Sector/Private Sector Companies. After completion of the training, they will be appointed as maintenance /production engineers. They can acquire additional qualification and thus reach higher levels in the technical competence. They are also groomed to start their own business.

# Diploma in ELECTRICAL

**Duration : 3 Years**

**Eligibility : 10th Class or its equivalent**

Electrical Engineering is a field of engineering that generally deals with the study and electromagnetism. The field first became a specialized occupation in the late nineteenth century after commercialization of the electronic telecom and electrical power supply. It now

covers a range of sub topics including power, electronics and panel control systems.

Electrical Engineering may include electric generation and transmission where a distinction is made usually outside of the United States. Electrical Engineering is considered to deal with the problems associated with large-scale electrical systems of power generation, power transmission and motor control, whereas Electronic Engineering deals with the study of small-scale electronic systems including PCBs and integrated circuits(ICs). Alternatively, electrical engineers are usually concerned with using electricity for energy, while electronic engineers are

concerned with transmission, storage and retrieval of information. More recently, the distinction has become more relevant in the growth of electronics and power applications.

### **LIBRARY**

The library is committed to offer rapid response with greater flexibility to meet the needs of growing students and faculty. It has a digital Data Bank, and shortly we shall be establishing direct links with the E-library. The reading pleasure increases knowledge for an overall development of students.

The library has a unique collection of more than 3000 carefully selected books, 90 print journals and 25 print magazines for different streams. Library facility is available till late night hours.

### **HOSTELS**

Though away from home, yet ACNCP, Boarding facilities makes it a home like experience for the students. ACNCP has separate hostel for boys and girls with all necessary amenities. The hostels are well equipped with 24 hours electricity, water supply, necessary furniture,

telephone, water coolers, refrigerators, recreational facilities like TV, indoor and outdoor games such as table tennis, gymnasium, chess, carom boards, volleyball, badminton etc. Wi-Fi internet connectivity in hostel rooms is also available.

Each wing is controlled by highly qualified and trained hostel wardens to take care of the needs of the students.

### **SPORTS CAMPUS**

Sports and physical activities are an integral part of our curriculum. ACN CP has well equipped sports complex offering various sports facilities such as basketball, football, cricket, badminton, volleyball etc. A well equipped gymnasium has been developed for students to ensure all round development.

Besides this, 'Yoga' has been introduced for spiritual enlightenment.

### **MEDICAL FACILITIES**

ACNCP has its own multi speciality hospital opposite the campus. The institute provides first aid and medical facilities to the students with full time doctors available within the campus. Special medical facilities are provided at the time of emergency.

### **MESS**

Hostel provides excellent mess facilities for all hostel students, staff, faculty and visitors. The

mess has a seating capacity of 250 persons. Close watch and supervision is done to see that good quality, hygienic and nutritious food is served to the visitors.

### **TRANSPORT**

The college provides a comfortable fleet of buses at regular intervals to commute students, faculty members & staff from campus to all major points in the City.

## Other Courses run by ACN Group of Institutions

<b>B.Tech</b> (CSE, ME, AG, EE, Civil)	4 years duration approved by AICTE, New Delhi and Affiliated to U.P. Tech. University, Lucknow
<b>Diploma in Engineering</b> (EC, EE, ME, Civil, Architecture)	3 years duration recognized by AICTE, New Delhi, & Affiliated by B.T.E. Lucknow, U.P.
<b>M.B.A.</b> (HRM, MM, FM, IBM, IT)	2 years duration approved by AICTE, New Delhi and Affiliated to U.P. Tech. University, Lucknow
	2 years duration approved by AICTE, New Delhi
	3 years duration approved by AICTE, New Delhi
<b>B.A.M.S./B.U.M.S.</b>	4½+1 years duration recognized CCIM, New Delhi & affiliated to CSJM, University, Kanpur
<b>B.Ed.</b>	1 years duration approved by NCTE, Jaipur and affiliated to Dr. B.R. Ambedkar University, Agra
<b>BTC</b>	2 years duration approved by NCTE Jaipur and affiliated to SCERT Lucknow.
<b>BBA</b>	3 years duration approved by Dr. B.R. Ambedkar University, Agra
<b>BCA</b>	3 years duration approved by Dr. B.R. Ambedkar University, Agra
<b>ANM</b>	1½ years duration recognized by Nursing Council of India, New Delhi & State Medical Faculty Lucknow
<b>GNM (Diploma in Nursing)</b>	3½ years duration recognized by Nursing Council of India, New Delhi & State Medical Faculty Lucknow
<b>B.Sc. Nursing</b>	4 years duration recognized by Nursing Council of India, New Delhi & State Medical Faculty Lucknow
<b>B.Sc. Post Nursing</b>	2½ years duration recognized by Nursing Council of India, New Delhi & State Medical Faculty Lucknow
<b>Diploma in Optometry</b>	2 years duration recognized by UP State Medical Faculty, Lucknow
<b>Diploma in Physiotherapy</b>	2 years duration recognized by UP State Medical Faculty, Lucknow
<b>Diploma in Ayurveda Pharmacy</b>	3 years duration recognized by CCIM, New Delhi
<b>Diploma in Ayurveda Nursing</b>	3 years duration recognized by CCIM, New Delhi
<b>Diploma in Homeopathic Pharmacy</b>	2 years duration recognized by UP Homeopathy Medicine Board, Lucknow

Recognised by AICTE, New Delhi, Ministry of Human Resource & Development (Govt. of India) and affiliated to Board of Technical Education, U.P., Lucknow.
